Digital Imaging Technician
English / Portuguese / Spanish

Short Bio: Coming from Post & IT background with some camera assisting, I started working as a DIT since 2008 early days, over the years my kit has changed into a full kit cart and a VW van which I can work out of, I also can supply livegrade on my SmallHD Colour OLED if requested, I am easy to work with and always free to help whenever needed. Always take pride in my organization skills and workflow. (Used to work in IT & Post)

Software: Davinci resolve, Assimilate scratch, Livegrade, Hedge, among others.
